Cornerstone Dental Lab reserves the right to provide an ATLANTIS<sup>™</sup> abutment when the system compatibility is available. If system is not available, Cornerstone Dental Lab will fabricate the abutment with a compatible alternative, pricing may vary.

Screw-Retained packages come provided with Ti base contingent with system compatibility.

No credit will be issued for implant abutment parts provided by the doctor for screw retained implant restorations.

## DISCOUNT % PER MONTH

\$1.00 - \$500.00	price list
\$501.00 - \$1000.00	free shipping
\$1001.00 - \$2000.00	1% cash rebate
\$2001.00 - \$3000.00	3% cash rebate
\$3001.00 - PLUS	5% cash rebate
	9% TOTAL cash rebate

Participants in the Volume Tiered Discount Program must pay their bill by the 10th of each month. Once payment is received, a credit in the amount of the qualifying tier and/or shipping credit will be processed on the following month's statement. These credits are applied to cases in our system. A copy of the tier discount that each customer received and the credit(s) will be emailed monthly to the indicated party. Should participant neglect to pay the balance due on the 10th of the month, the qualifying tier volume discount percentage shall be forfeited for any month that payment is not received on time.

Cornerstone is a **full service lab**.

We offer a variety of different products.

If you are looking for a specific product, alloy, or material not listed, **please contact us!**

## WHY CORNERSTONE?

1. we offer a **lifetime guarantee**...  
what *other* lab can say that?
2. we are not just a lab, we become a **partner**  
in your practice, your patients, concerns,  
and questions are ours as well.
3. **communication is key**...our CDTs and MDTs  
are readily available to talk, text or email  
so we are both on the same step for every case.
4. we are a lab who stays on top of industry news,  
if it is **new and innovative**, we are researching  
and continuing our education to improve just for you!
